This house has everything for the perfect vacation, nestled among the trees on a quiet street. Enjoy the fireplace and a book from our library, watch movies on the 50" plasma TV, or use the wireless internet access. Cook in the fully-equipped kitchen, or dine out - you choose! It's a short level walk to the beach, just two blocks to the village and close to the golf course and playground. Have a cocktail or a cookout on the sunny patio before your sunset beach walk.

Bedding and linens for 9 are provided - just bring your beach towels and slippers! Manzanita is about 90 minutes from Portland, 13 miles south of Cannon Beach on Highway 101. From the highway, turn west at the blinking light onto Laneda, then left on Fourth Place, to the last house on the right before the bend in the road!
